

Italiano 2 project-

“La Mia Vita Ecologica”

You are going to create a visual album that explains some activities you have participated in to help the environment.

Over the past year you have helped make your community a greener place with good deeds and responsible choices. You will write a story to talk about your good work.

You may use Google Docs or Slides to create this document.

Your project should:

- Include 75-90 words about your activities
- No more than 15 words per slide
- Include illustrations/photos of each event
- Include at least one sentence in the *passato prossimo* for each event
- At least 10 vocabulary words from the chapter 7 vocabulary list
